# Welcome

Welcome to the thirtyone:eight Disclosure Service. Many thanks for agreeing to fill the vital role of Recruiter for your organisation. By agreeing to become a Recruiter you will be playing an important part in the safer recruitment of workers. This process is crucial in preventing unsuitable or dangerous individuals gaining access to children and vulnerable adults. Operating a safer recruitment policy sends a powerful message to parents, children, visitors as well as those intent on harm, that safeguarding children and vulnerable people is taken seriously in your organisation.

A DBS check is one part of safer recruitment. Taking up a criminal records check is the last stage of an appointment procedure. You will already have followed the safer recruitment process outlined 'Welcome to the thirtyone:eight Disclosure Service' document found [thirtyoneeight.org/before-you-register](https://thirtyoneeight.org/before-you-register) or your organisational guidance and described in more detail in the recruiters area of our website.

At thirtyone:eight, our dedicated team of disclosure specialists, who all have first-hand experience of working in churches and youth work, give advice daily to our members on the issue of eligibility. This can be a complex area, which is why getting the right help and advice is crucial for organisations. If anyone has any questions or concerns about DBS checks and the legal eligibility criteria our Disclosure team is at the end of the phone to help all our members.

**Barbara Ball,**

Head of Advisory Services at thirtyone:eight.

## Payments

Full details of our charges and the method of payment can be found at: [thirtyoneeight.org/our-charges](https://thirtyoneeight.org/our-charges)  
Please feel free to contact us if you need any further information.

The charges thirtyone:eight makes may vary from time to time due to changes in charges made by the DBS and other external factors. You will always be notified of any changes well in advance.

Thirtyone:eight seeks only to cover the costs of running its Disclosure Service and makes no additional charge for providing consultation on good working practice or individual appointments. Research suggests thirtyone:eight charges are significantly lower than the majority of other Registered Bodies and most of these do not provide the additional support thirtyone:eight offers.

## Why Carry out a DBS Check?

The Head of Investigations and Enforcement at the Charity Commission, says:

**'The public rightly expects charities to be safe and trusted environments where people are protected from harm, including the charity's own staff and volunteers. So all charities need to be alert to the importance of safeguarding those who come into contact with them.'**

The UK Government is committed to protecting vulnerable groups including children and wants to see a focused and effective safeguarding system, where harm or risk of harm is identified, acted upon effectively and ultimately prevented. The Government maintains that the State has a key role to play in, for example, barring unsuitable individuals from working with vulnerable groups including children, and in ensuring that organisations can access criminal record information on individuals when the role justifies it.

Under the Protection of Freedoms Act 2012, employers have certain responsibilities and the following regulations apply:

- Employers, social services and professional regulators have a duty to refer to the DBS any information about individuals for whom they are responsible who are believed to pose a risk to children or vulnerable adults (where they are working in Regulated Activity).
- If your organisation works with children or vulnerable adults and you dismiss a member of staff or a volunteer (who were working in Regulated Activity) because they have harmed a child or vulnerable adult, or you would have done so if they had not left prior to your intended dismissal, you must tell the Disclosure and Barring Service. This also applies if a worker resigns before any action is taken; or if you remove them from Regulated Activity and place them in another role.
- A person who is barred from working with children or vulnerable adults will be breaking the law (and liable to prosecution incurring imprisonment and/or a fine) if they work or volunteer, or try to work or volunteer in Regulated Activity. An organisation which knowingly employs someone who is barred to work with those groups will also be breaking the law (and liable to prosecution incurring imprisonment and/or a fine).

**Further information on the procedure for referrals to the DBS can be found on the DBS website [www.gov.uk/dbs](https://www.gov.uk/dbs) or by phoning the Barring helpline on 03000 200 190.**

# Eligibility for a DBS Check

Unless a job is exempt under the provisions of the Rehabilitation of Offenders Act 1975 then a check is not legally possible. This means that most people who work with children in a church situation or perform personal care are eligible for a DBS check. This meets expectations by most Christian denominations, insurance companies and the Charity Commission (where the charity works with children or vulnerable adults).

**Please see the Online interactive 'Regulated Activity Flow Chart' and 'Eligibility for DBS Checks' documents** - this will enable you to determine whether your workers are entitled to a DBS Check and if so what level of check they require. Please note you will need a username and password in order to access the guide. For details of this please email [disclosure@thirtyoneeight.org](mailto:disclosure@thirtyoneeight.org)  
<https://thirtyoneeight.org/dbs-service/eligibility-guide/>

**(The full legal definition of Regulated Activity is set out in Schedule 4 of the Safeguarding Vulnerable Groups Act 2006, as amended in particular; by the Protection of Freedoms Act 2012. You will find a link to this from our Interactive Eligibility Guide.)**

If you determine that an applicant is not eligible for an Enhanced check then a Basic Disclosure is possible through our Ebulk system. In order to process this you will need to register with us for online DBS checks. Please contact the Disclosure Team for further details.

**Please call the Disclosure Team if you need further help or advice on eligibility requirements.**

Any person who is working in Regulated Activity must apply for an Enhanced DBS in order to obtain a Barred Lists check.

Being clear about the definition of Regulated Activity matters because:

- An organisation which knowingly allows a barred person to work in Regulated Activity will be breaking the law.
- If you dismiss or remove someone from Regulated Activity (or you would have done if they had not already left) because they harmed or posed a risk of harm to vulnerable groups including children, you are legally required to forward information about that person to the DBS. It is a criminal offence not to do so.

## Getting Started

There is important guidance for an applicant completing a DBS paper application form within this guide, and on the first page of the disclosure application. We will also email you an Applicant's Guide when you request paper application forms.

**For the sake of keeping our Recruiters Guide to a minimum we have not repeated here the information that you can find on the application form and on our website.**

## Appointing Additional Recruiters

In addition to the Lead Recruiter, it is advisable that there is at least one other Recruiter appointed within the church/organisation to handle Disclosures. This is so that we always have a point of contact if the Lead Recruiter is unavailable; or if they or a relative of theirs needs checking. To do this please download the New Recruiter form [here](#)

## Can I Accept a Disclosure from Another Organisation?

The only way certificates are portable from one role to another is via the DBS Update Service. Any applicant can subscribe to this service within 30 days of issue and take their certificate with them from role to role where the same level and type of check are required. The status can be regularly checked by the employer so there will be no further need to apply for fresh disclosures when renewing them.

With the individuals permission, employers can go online for a free and instant check to find out whether the certificate is still up to date.

For further details see [thirtyoneeight.org/dbs-update](https://thirtyoneeight.org/dbs-update)

## Is it Possible to Check Workers from Overseas?

If you are recruiting people from overseas and wish to check their overseas criminal record, a Disclosure and Barring Service (DBS) check may not provide a complete picture of their criminal record. This is because the DBS cannot currently access most criminal records held overseas.

For details of the procedure see: [thirtyoneeight.org/dbs-service/overseas-workers](https://thirtyoneeight.org/dbs-service/overseas-workers)

## Verifying the Applicant's Identity

When the applicant has completed the Disclosure Application Form they must then show you their original identification (not copies). **Full details of acceptable documents can be found in at the back of this document.**

The correct identification and verification of addresses is crucial to the effectiveness of the disclosure process. When identity is verified beyond doubt, names can be matched with criminal records and also checked against DBS barred lists.

### ID checking process:

The accuracy of the ID checking process directly impacts on the integrity of the disclosure result. A poor or inaccurate ID check can result in a worthless disclosure being issued.

### You Must:

- Cross match the identity documents with the personal information provided on the disclosure application form (name, previous names, date and place of birth, address etc.).
- only accept valid original documentation.
- Where possible, ask for photographic identity (e.g. passport, new style driving licence, etc.) and compare this against the applicant's likeness.
- Ensure that you see the relevant documentation to validate a name change (for example a marriage certificate/deed poll/civil partnership certificate/divorce decree absolute or civil partnership dissolution certificate).
- See at least one document in the applicant's current name.
- See at least one document which confirms the applicant's date of birth.
- See at least one document to confirm the applicant's current address.
- Cross match the applicant's address history with any other information you have been provided with as part of the recruitment, such as their CV. (This can highlight if an address has not been given e.g. if the applicant's CV shows that they have worked in Liverpool in the last 5 years but the application form only shows London addresses, you may wish to question the applicant further about this.)

## You Must Not:

- Check ID for yourself or an applicant related to you – you must ask another recruiter for your organisation to do this.
- Accept photocopies of any identification documents.
- Accept documentation printed from the internet e.g. internet bank statements.
- Accept the foreign equivalent of an identity document if that document is listed as '(UK)' on the list of valid identity documents.

## What if an applicant is unable to see me with their documents in person?

The applicant can either post you their documents, or for an additional fee they may get their documents checked at a post office via the Post Office Document Certification Service; see [thirtyoneeight.org/dbs-links](https://thirtyoneeight.org/dbs-links) Please contact us for more details.

## What if the applicant has been adopted?

If an applicant has been adopted before the age of 10, they do not need to provide their surname at birth in Section A of the DBS application form, they should give their adoptive name in this section. This is because the age of criminal responsibility is deemed to be 10 years, under the Children and Young Persons Act 1933, Chapter 12, Section 50. This means that there is no possibility that an individual could have a criminal record in a name that was used until the age of 10.

## How do I check for indicators of fraud?

Always check for signs of tampering when checking identity documents. Documents should be queried if they display any signs of damage, especially in the areas of personal details such as the name and the photograph. Go to: [thirtyoneeight.org/dbs-links](https://thirtyoneeight.org/dbs-links) for guidelines which should help you look out for any suspicious signs when authenticating documents.

**Recruiters must not attempt to amend the application form without the applicant's knowledge and agreement, as it will invalidate the declaration by the applicant and may breach data protection legislation.**

## What Else Must the Recruiter Complete before sending the paper application form to thirtyone:eight?

### IMPORTANT

**Before you give the applicant access to an application form, they must have completed and returned to you a Self-declaration Form. A model Self-declaration Form is found at the back of this guide.**

As a Recruiter you are acting as an agent for thirtyone:eight (your registered body). As such you must complete the following areas of the application form:

### The Recruiter must complete:

1. The 'registered body use only' box in section a. This is for verifying the personal information the applicant has entered in section a. As you cross each box you must ensure that you have checked the personal information they have entered against the identification you have been shown. For example by crossing the box to confirm that you have verified a1 – a3 you are confirming that you have checked their title, surname and forenames against their ID. This would also apply for the verification box for a14 – you should check their date of birth against the ID shown. Failure to cross these boxes will result in the form being returned. If you verify the box for a23 you are confirming that you have checked their driving licence no. entered against their original driving licence document (the same applies for verifying the passport in a25). Only original documents (not photocopies) must be seen and verified by you as a Recruiter.
2. The 'registered body use only' box in section b. This confirms that you have checked the current address against the ID the applicant has shown you.

registered body use only	
a1-a3 verified	<input type="checkbox"/>
a14 verified	<input type="checkbox"/>
a21 verified	<input type="checkbox"/>
a23 verified	<input type="checkbox"/>
a25 verified	<input type="checkbox"/>

3. Section w – evidence of identity. Simply complete your full name here and confirm that you have established the true identity of the applicant by examining the required documents (as detailed in the chart in this guidance) and have completed the verification boxes.

The image shows two parts of a form. The left part is a purple box labeled 'registered body use only' containing a checkbox for 'current address verified?'. The right part is a white box labeled 'W evidence of identity' containing a line for 'name of evidence checker' and a checkbox for 'have you established the true identity of the applicant...'. There are also 'no' and 'yes' checkboxes at the bottom right of the white box.

Section x:

Line 61 – position applied for. In the first line please enter either 'child workforce', 'adult workforce', or 'child and adult workforce' to indicate the group(s) that the applicant will be working with. Please see and carefully read Appendix 5 for guidance on how to complete the Job title on the second line in X61. Line 62 – organisation name – this should be exactly as recorded on our records.

Line 63 – level of check - always cross 'enhanced' as standard checks don't apply for those working with children or vulnerable adults.

Lines 64 & 65 – See the definition of Regulated Activity on Appendix 5 of this Guide. If the applicant is eligible for a DBS check but does not work within Regulated Activity, then please do not cross the 'yes' box as you are not entitled to ask for a barred list check. Crossing 'no' will mean you can obtain an enhanced disclosure without a check of the barred lists. If you are in any doubt then please contact us first.

Line 66 – enter yes or no

Line 67 – cross one of the three boxes

Line 68 – enter yes or no. Please note that this relates to the DBS charge.

Regulations 2002 defines a 'volunteer' as:

The image shows a form section titled 'X apply for a DBS check'. It includes several checkboxes and text boxes: '60 not used', '61 position applied for', '62 organisation name', '63 level of DBS check' (with 'standard' and 'enhanced' options), '64 are you entitled to know whether the applicant is barred from working with children?', '65 are you entitled to know whether the applicant is barred from working with adults?', '66 does this position involve working with children or adults at the applicant's home address?', '67 application type' (with three options: 'new post holder', 'existing post holder', and 'existing post holder who is being re-checked'), and '68 is this application for a free of charge volunteer?'. There are also 'no' and 'yes' checkboxes for lines 64, 65, 66, and 68. A large 'X' is marked on the right side of the form.

**' Any person engaged in an activity which involves spending time, unpaid (except for travel and other approved out-of-pocket expenses), doing something which aims to benefit some third party and not a close relative.'**

For the purposes of this definition, applicants claiming volunteer status must be unpaid. The DBS advise that the applicant must not be in receipt of any form of payment, be it remuneration, an allowance, benefit, payment in kind, or other means of support in relation to the activity (except where they are considered by the DBS to constitute 'travel and other agreed out-of-pocket expenses'). Students on placement or individuals working towards ordination or accreditation (for example in counselling) are not regarded as volunteers as they will personally benefit from the work they are doing by means of accreditation or a qualification.

If you have any doubts about a particular situation in terms of whether a check can be legally carried out or if an individual qualifies as a 'volunteer', then contact thirtyone:eight.

## Section Y of the DBS Application Form

Leave Section y blank. There should be no entries made in section y as this has to be completed by the thirtyone:eight Disclosure Unit. If a Recruiter completes any of it, the whole form is likely to be rejected by the DBS and in these circumstances a new form would need to be completed.

The completed form(s) should be photocopied and stored in a secure place to be checked against the DBS certificate for accuracy. The original form(s) should then be sent to thirtyone:eight with a completed 'Validation Form' Appendix 2. This form has sections for both the Recruiter and the applicant to complete

**Please keep a copy of the Validation Form for your own records**

(Remember to send us the original, not the copy). You can use it to check against our direct debit notification and the details also enable you to track the progress of the disclosure application online at <https://thirtyoneeight.org/dbs-links>

When you are satisfied that the forms have been fully and correctly completed, place them and their corresponding Validation Forms into an envelope and send them to:

**Thirtyone:eight Disclosure Service, PO Box 133, Swanley, Kent, BR8 7UQ.**

## Examining the DBS Certificate

Once you have tracked the application via the DBS website and seen that the applicant has received their certificate they must show it to you before they start work. You should check that the certificate is accurate. In thirtyone:eight's experience, even an error of a single letter in a name has meant the wrong person being checked and conviction information not contained in the certificate sent out by the DBS.

**Please check the certificates' security features to check they're genuine:**

- A 'crown seal' watermark repeated down the right hand side, visible both on the surface and when holding it up to the light
- A background design featuring the word 'Disclosure', which appears in a wave-like pattern across both sides of the certificate; the pattern's colour alternates between blue and green on the reverse of the certificate
- Ink and paper that change colour when wet

If the information on the certificate is 'blemished' in any way we strongly advise you to contact our helpline on **0303 003 1111 option 2** to speak to a professional adviser.

You can then return the DBS certificate to the applicant - it is an important document for them to keep safe.

For guidance on how to store and handle certificate information, please refer to our model policy at <https://thirtyoneeight.org/dbs-service/our-services/handling-of-disclosure-information/>

# External Validation Process

If you are unable to verify an applicant's ID using Route 1 you will need to follow the process for Route 2. Under these circumstances you will need to carry out an External Validation Process. Please be aware that there is a fee of £5.00

+ VAT per check.

## **ID Verification – how does the process work?**

- The Recruiter obtains consent from the applicant to undergo an ID Verification Check.
- The Recruiter follows the link given below to an online form in a secure area of our website.
- The Recruiter enters their name, organisation name and reference number along with the applicant's full name, previous name (if applicable), title, address (including postcode), date of birth and email address – all of this information is essential and you will be unable to progress without it.
- The applicant will be sent an email from us confirming that the Recruiter from your organisation has requested a check. The check will appear on the applicant's credit file as an ID check but will not affect their ability to obtain credit in any way.
- Once the result is received we will email the Lead Recruiter with either a 'pass' or 'fail' result for the applicant.
- If a 'pass' is received you can then enter the reference number of the check - which will be given in the result email – onto the validation form.
- If a 'fail' is received you will need to follow Route 3.

In order for you to conduct the ID validation check please follow the link [thirtyoneeight.org/portal/id-check/](https://thirtyoneeight.org/portal/id-check/) which will take you to the login page of a secure part of our website.

I have read the Standard/Enhanced Check Privacy Policy for applicants – [thirtyoneeight.org/dbs-links](https://thirtyoneeight.org/dbs-links). I understand how DBS will process my personal data and the options available to me for processing an application. I am aware that details of pending prosecutions, previous convictions, cautions, or bind-overs against me may be disclosed along with any other relevant information which may be known to the police

I agree to inform the person within the place of worship/organisation responsible for processing disclosure applications if I am convicted of an offence after I take up any post within the place of worship/organisation. ## Legalese – attached notes

The Disclosure of any offence may not prohibit employment. Please refer to our Rehabilitation of Offenders / Model Equal Opportunities Policy.

As this post involves working contact with children, young people and/or vulnerable adults all applicants who are offered an appointment will be asked to submit to a criminal records check before the position can be confirmed. You will be asked to apply for an Enhanced Disclosure through the Disclosure and Barring Service (DBS) (England & Wales) or through Access NI if you are in Northern Ireland or through Disclosure Scotland if you live in Scotland.

As the position is exempted under the Rehabilitation of Offenders Act this check will reveal details of cautions, reprimands or final warnings, as well as formal convictions not subject to DBS filtering rules. Because of the nature of the work for which you are applying, this position is exempt from the provision of section 4(ii) of the Rehabilitation of Offenders Act 1974 (Exemptions Orders as applicable within the UK), and you are not entitled to withhold information about convictions which for other purposes are 'spent' under the provisions of the Act with the exception of those that are subject to the DBS filtering rules.

In the event of appointment, any failure to disclose such convictions could result in the withdrawal of approval to work with children or vulnerable adults within the church/organisation. This process is subject to a strict code to ensure confidentiality, fair practice and security of any information disclosed.

The DBS Service Code of Practice and our own procedures are available on request for you to read. It is stressed that a criminal record will not necessarily be a bar to appointment, only if the nature of any matters revealed could be considered to place children or vulnerable adults at risk.

As a place of worship/organisation we agree to abide by the Code of Practice on the use of personal data in employee/employer relationships under the General Data Protection Regulations effective from May 25th 2018, as well as the expectations of the DBS.

### Notes - Children and Young People

Under the Protection of Freedoms Act 2012 it is an offence for any organisation to offer employment to anyone who has been convicted of certain specific offences, or included on either of the two barred lists held by the Disclosure and Barring Service where the post falls within the scope of regulated activity (as defined by the DBS, under the Safeguarding Vulnerable Groups Act 2006 and the Protection of Freedoms Act 2012). An enhanced with barred list check must be completed. Those working with children and / or vulnerable adults in posts which fall outside the scope of regulated activity may still be eligible for an enhanced disclosure WITHOUT a barred list check.

The DBS offers both an enhanced check and for those engaged in regulated activity an enhanced with a barred list check. For applicants in Scotland and Northern Ireland, similar provisions apply.
