

# Who can help keep me safe?

If you felt worried about something, scared or in pain. It's important that you tell a grown-up that you trust. Who would you talk to and why? Circle or colour in the squares of people you might go to for help.

Teacher	Doctor or nurse	Grandad	Pastor or Vicar
Mum	Dad	Social Worker	Police Officer
Step-Dad	A friend's parent	Neighbour	Step-Mum
Classroom Assistant	Granny	Uncle or Aunty	Church children's worker

Can you think of any more?  
Add them to the empty squares.
